

ENJOY FASTER INTERNET ACCESS AT HOME

Hi,

Tampere Student Housing Foundation (TOAS) has updated the broadband contract for your housing company. The new basic speed available of the housing company broadband included in your apartment will be 200 Mbps from now on. As a new supplementary service, you can order a whopping speed of 1,000 Mbps. The new additional speed and versatile broadband services are highly affordable for you.

The technology of the broadband service provided in your apartment is about to change. Start using the new connection and enjoy smooth surfing

The service change applies to the fixed broadband service offered for your apartment. Your current Internet services and their prices will not be updated automatically. The new speed and new services are available with a cable modem that connects to the TV antenna socket in your apartment. You will get the new cable modem that belongs to your apartment when you place your new broadband order.

Do this:

You can place the broadband order either at the nearest [Telia Kauppa](#) store or [by calling our customer care](#).

1. [Come](#) visit our store [Telia Kauppa Ratina](#) and set the starting date for your new services
 - You will get a new cable modem instantly at the Telia Kauppa store
 - You can also bring us the old broadband modem from your apartment for recycling
 - Connect the cable modem to your apartment's TV antenna socket and the service will be activated on the date you set in the store.
2. [Call](#) Telia customer service on [0200 11611](#) (mcc/lnc) Mon–Fri 8 a.m. to 6 p.m.
 - When you place the broadband order, a new cable modem will be mailed to you
 - Connect the cable modem to your apartment's TV antenna socket and call [0200 11611](#) again to activate the new broadband service right away. If you don't call us the new service will automatically activate after two weeks.
 - Please make sure to recycle any previous modem you have had at your apartment

If the cable modem at your apartment gets broken, you can exchange it at the nearest Telia store. When you move out, please remember to terminate your broadband service by calling [0200 11611](#). **When you move out, you need to leave the cable modem at the apartment.**

Speeds of the housing company connection after the change:

| Speed | Price | |
|-----------------------|--------------|--|
| 200 M (80–200 M) * | €0.00/month | |
| 1000 M (400–1000 M) * | €19.90/month | * Actual range of variation in brackets. |
