

SHARED CAR IN YOUR USE

Hi TOAS resident!

as a resident you have Omago shared cars in your use. You can choose between two Volkswagen e-Ups, one Volkswagen ID.4, and one Toyota Proace EV van. All cars are electric. You can use the cars in any daily use, such as shopping or visiting friends. Parking spots are marked with blue Omago -signs. E-Ups are located in Sarvijaakonkatu 16-18 in place 53, and Vaajakatu 5 place 47 or 48. ID.4 and Proace EV are located in Iidesaukio 1 places 38 ja 39.

With discount code TESTIAJO you will receive 10 € discount of your first reservation.

In any further questions, please contact Omago customer service: 020 127 7799.

omago™ INSTRUCTIONS

1. BOOKING A CAR

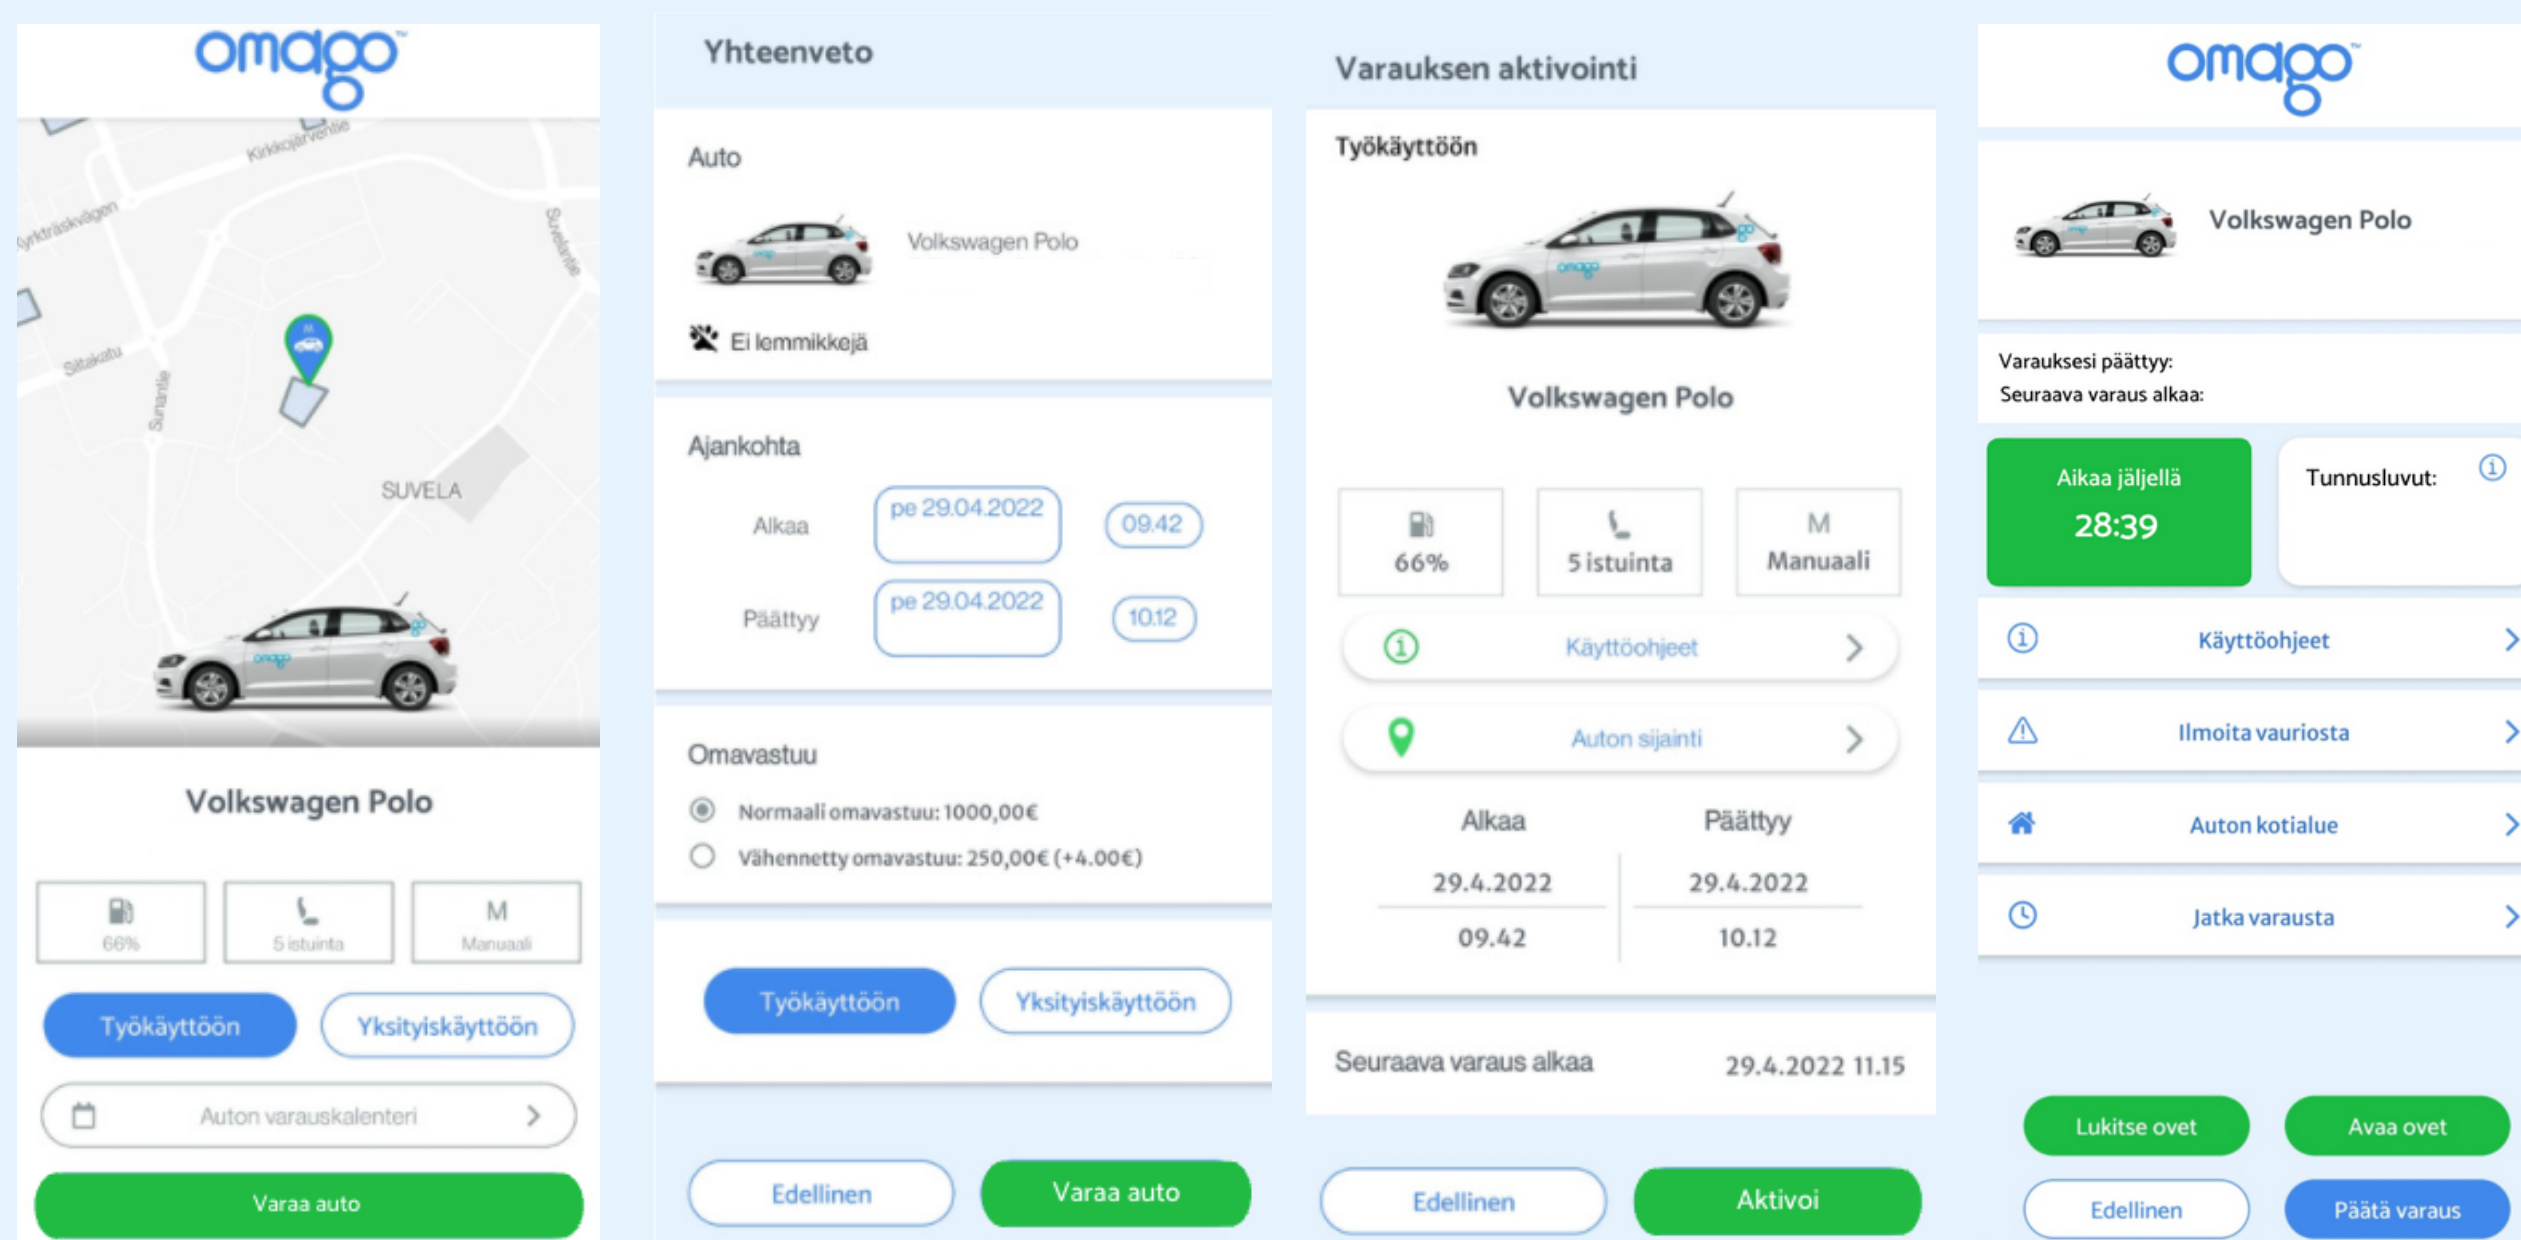

After registration, you can book a car from the app. From the map screen, you can create a new reservation by choosing the car. Select the time you want and then choose whether you want a deductible discount. After that you can confirm the booking.

2. COMISSIONING THE CAR

When your booking starts, you can activate your reservation from the booking screen. Go to the car and activate the reservation. The system will ask you to check the condition of the car. Check and accept the condition. If damage is found, you can report it directly to the system. In the booking view you can open and lock the car doors (picture on the right).

3. ENDING THE RESERVATION

Park the car in the same place back, lock the doors and complete the booking from the booking view.
